

The Thursford Collection

Trustees

Chair of the Trustees

The Thursford Collection is a registered charity formed in 1976 to preserve George Cushing's nationally-important collection of steam engines and organs and to promote the arts, particularly music and dance, for the benefit of the nation. The Thursford Collection, along with its subsidiary Thursford Enterprises Limited, is a highly successful operation, comprising the original steam engine museum, the world-class Thursford Christmas Spectacular, the extremely popular Santa's Magical Journey experience and a blossoming weddings and events business.

As we embark on an exciting new interactive children's project, we are seeking high calibre Trustees and a Chair of the Trustees to join our Board. As a member of the Board of Trustees, you will have the opportunity to contribute to the future strategy of the charity and to safeguard the Collection for future generations.

Trustees will need to demonstrate passionate enthusiasm for heritage and the arts, a collegiate working style and a strong appreciation of the charity's objectives. You will be expected to commit to a minimum of four days attendance at Board meetings per year, although we hope that you will become a valued and spirited member of the vibrant community at Thursford.

If you like the prospect of a challenge and can bring a fresh approach and passion to the future vision of The Thursford Collection, please e-mail your resume and a short covering letter to trustees@thursford.com.

For more information, or an informal discussion, please call Charlie Cushing on 01328 878477.

Closing date: Monday 4th March 2019, 10am
